

National Freedom Party Motion without Notice

18 September 2015

Madam Speaker, I hereby give notice that I shall move on the next sitting day of the House as follows:

The House notes:

The Springboks have qualified and have gone to England to participate in the 2015 World Cup. While this should be a moment of national unity, it has instead turned into a controversial debate about race and transformation in the sports fraternity. This is after black players approached Cosatu about the racism in the industry.

This House therefore resolves:

21 years into democracy, it is shocking that teams representing a diverse country don't reflect this diversity themselves. There needs to be a discussion together with the Rugby Association, demanding a concrete plan on how it plans to groom and transform itself before the next World Cup.

Madam Speaker, I shall so move.

Signed: (Hon VR Mlotshwa)
