**Re - Anti Vikikizitha Mlotshwa Campaign**

**This is just a respond to the wide orchestrated Anti- Vikizitha Mlotshwa Campaign. It has become evident that some people are car-hooting & colliding with the media to destroy the NFP especial KZN PEC and its Provincial Chairperson Hon VR Mlotshwa. There are some political demagogues and power mongers, who are so desperate to cast suspicions of fraud and corruption against him. This allegations are not true and being cooked for certain mission & objective.**

**The Ant- Mlotshwa campaign is engineered with the aspersion on his integrity and eventual aimed at discrediting him in the eyes of the public. These devil masters of the night are trying to paint a wrong picture to public as if there was or there are a riffs or cold war between Mlotshwa, NFP KZN PEC and our lovely dearest Hon President Ka Magwaza Msibi.**

**As the NFPYM in KZN, we call upon our young people, to not wittingly or unwittingly allow them to be used in a fight against our Constitutional Elected Leaders.**

**We kindly and cordial request the NFP to institute an investigation or inquiry and execute some disciplinary actions against the culprits and leaders, who are in a forefront of this campaign as they are compromising the image of the party. The NFP must act harshly against the hooligans & thugs who went all out to boo our leaders at the current 4th Anniversary held at Vryheid or Ebaqulisini**

**They need to be charged and be expelled from the NFP as they are bringing our party into disrepute.**

**As the youth of the NFP, we are not being confused by the forces of doom and we are 200% in support & behind our Hon President and our PEC leaders.**

**As the NFPYM in KZN, we welcomed all of those who are interested and willing to stand for provincial positions but they must n't lobby using and saying things with no evidence and we still feel it is wrong to use and abuse the name of the President in their ambitious campaigns.**
