

## **NFP Motion without Notice**

**4 June 2015**

**Madam Speaker, I hereby give notice that I shall move on the next sitting day of the House as follows:**

**This House notes:**

- The QuadPara Association of SA is an organisation whose vision is to protect the interests of people with mobility impairments. The Driving Ambitions driver training programme has been launched in KZN to enable people with disabilities to acquire driving licenses and to make public transport accessible to them. This project is spearheaded by the private sector; this is unacceptable as it means the ANC government does not recognise the need to support disabled persons in this regard.

**This House therefore resolves:**

- The Departments of Social Development and Transport will work together to allocate resources and prepare Traffic Departments to support these candidates.

**Madam Speaker, I shall so move.**
