**Dear : Hon MEC**

**Re - Continuous Killing of Innocent People at Glebelands Hostel in Umlazi, under EThekwini Municipality - KZN**

The above matter refers

As the NFP in KZN, we fully support and recognize the efforts being made by the MEC of Community Safe and Liaison in the province of KZN, however we still notice with sadness and great concern the current on going killing of innocent people at Glebelands Hostel in Umlazi Township. In a period of seven months, we have already lost 14 lives of innocent people and other people are still living in fear.

The NFP in KZN is calling upon the MEC to consult and engage the Premier of KwaZulu-Natal and the President of the Republic of South Africa to urgently

intervene on the matter and declare a State of Emergency in that area with reference to State of Emergency Act No 64 Of 1997.

It is our duty and responsibility as the government to save more blood being shared in that area by restoring peace and stability. People of Glebelands must not feel being alienated or neglected and being deprived of their right to safety and social well-being.

Let's save lives of our people and promote peace and stability. (Here attached are the Names of People who were being killed at Glebbe Hostel)

**Thank you**
