Motion without Notice 18 September 2015

Madam Speaker, I hereby give notice that I shall move on the next sitting day of the House as follows:

This House notes:

- The NFP was shocked to learn of the situation at Montebello Hospital where cleaning staff are reportedly instructed to perform work for which they are not qualified or trained. In addition to cleaning they are also required to work with corpses in the mortuaries as well as working with blood in laboratories. They are not paid for this additional work.

This House therefore resolves:

- This is an indication that the hospital is not sufficiently capacitated and the MEC of Health needs to intervene as a matter of urgency and the hospital needs to be placed under administration until it can operate independently.

Madam Speaker, I shall so move.
