On behalf of the National Freedom Party (NFP) in KwaZulu Natal , allow me to pass our shocking deepest heartfelt condolences on the sudden lost of the leader of the IFP Mr Zwelithini "Fuhluza" Khumalo was also a dedicated member of the Community Police Forum in his local area.

He will be always remembered as a peace maker who always wanted to serve the community willing-fully despite political differences or umbrella.

The National Freedom Party strongly condemn this act of violence which is taking place in hostels. Therefore the NFP in KZN is calling upon the MEC to consult and engage the Premier of KwaZulu-Natal and the President of the Republic of South Africa to urgently intervene on the matter and declare a State of Emergency in affected hostels with reference to State of Emergency Act No 64 Of 1997.

During this time of grieving and mourning as the NFP, we appeal to members of the community and other affected structures to remain calm and give support to law enforcement agencies, we believe that law enforcement structures such as police will do what ever it takes to arrest those who are responsible and perpetrators of violence in our beloved province.

To the members of the family, friends and the community of KwaMashu and Nanda the NFP wish to convey it's heartfelt condolences during this trying triumph times. Mr Khumalo's contributions to the community will not be forgotten.

May his soul rest in peace !!!!!!!!!!!
