Motion without Notice 18 September 2015

Madam Speaker, I hereby give notice that I shall move on the next sitting day of the House as follows:

This House notes:

- Five people were shot and killed after a group of unidentified people opened fire on residents of KwaMashu Hostel after entering Block a95 illegally on Wednesday 16 September.

This House therefore resolves:

- The violence at this hostel has been ongoing and is sure to intensify as we enter the election cycle in 2016. As the NFP we believe this is too huge a task for the police alone. Government needs to deploy the army as this is a hotspot and the situation needs to be contained before it spirals out of control. We believe their presence will bring stability in this area.

Madam Speaker, I shall so move.
